PRATEATO HYBRID represents the ultimate loft experience on site. It can be one's spectacular home, one's home and working place, one's home and art gallery... The possibilities of the open spaces are as wide as one's creativity. Equipped with the latest technologies, it guarantees a private parking place directly connected to the apartment main living areas, through a completely private lift. Amazing roof top terrace and a beautiful private garden, add to the apartment the most intimate outdoor experiences PRATEATO has to offer.
